GENERAL INFORMATION

Please note that:

1. The following entry forms have been published on the FIM Website from where they must be downloaded:

[209 - FIM SnowCross World Championship - 2023 Entry Form](#)

[219 - FIM Women's SnowCross World Cup - 2023 Entry Form](#)

2. The entry form must be completed electronically in capital letters

As a general rule, every rider wishing to participate in the 2023 FIM Prize Events must enter through his FMN and the FMNR/Organiser respectively. Entry requests/provisional entries can be made by e-mail to the FMNR/Organiser, but they must be confirmed with the duly completed official FIM entry form.

We remind you that the rider must always have a copy of his licence (paper or electronic) as it will be asked during the technical and administrative control.

All forms from under-age applicants must be counter-signed by their legal guardians.

The rider must return his entry form, duly completed, to his FMN, who must always approve the entry. Consequently, page 1 of the entry form must bear the stamp of the FMN concerned.

Once the entry has been approved, the FMN concerned must forward the duly completed entry form to the FMNR/Organiser as soon as possible.

The closing date of entries is 21.02.2023.

For the FIM SnowCross World Championship, the number of entries is limited to a maximum of 40 riders: the first 8 riders of the final standings of the previous year's FIM SnowCross World Championship plus a maximum of 4 riders per FMN.

For the FIM Women's SnowCross World Cup, the number of entries is limited to a maximum of 40 riders.

An entry fee of 140 € per rider is to be paid to the Organiser.

3. Starting numbers

Every rider participating in an FIM SnowCross World Championship/World Cup event can request a starting number when completing the FIM entry form. The requested starting number must always be confirmed by the FIM Administration, provided it is still available.

However, the number one will always be reserved for the current FIM World Champion/FIM World Cup winner.

Riders who did not request any particular starting number will be allocated a starting number by the FIM Administration.

4. Travel indemnities and prizes

All amounts are shown in Euro (€). They are net amounts from which no deductions are allowed. They are payable in Euro (€) only (cash payments). They must be paid by the Organiser of the meeting.
